Printing Report Cards with Parent Portal

Login at <https://schooltool.gblions.org>

You will need to be assigned a username and password by the district. Visit the website for a parent portal application if you have not submitted one already.

Once logged in click on the small blue triangle to the left of your student's picture.

Click on the "Grades" tab

From the drop down box select school year (default is current school year)

Leave View "Marking Period Grades" as is

Course	Teacher	MP	Days	Period	Section	Grade	Comments
--------	---------	----	------	--------	---------	-------	----------

Select the previous marking period. (Marking Period 1 is MP1, Marking Period 2 is MP2 and so on)

Grades will only show for a marking period that has been completed. The system defaults to the current marking period so if you do not see any grades select a previous marking period from the drop down.

Once a completed marking period has been selected and the grades have been filled in, a printer icon will appear. Click on this to view and print a report card for your student.
